CONTRIBUTIONS FROM FINANCIAL INSTITUTIONS

If you make a gift to Munsey through your bank, investment firm, or retirement account, please make sure your name is included with the contribution. This is especially important for gifts made through Qualified Charitable Distributions (QCDs) from retirement accounts, or other direct transfers from financial institutions, as these payments sometimes arrive without identifying the donor. Including your name helps Munsey properly acknowledge your generosity and accurately record your contribution for giving statements. Thank you for helping us maintain complete and accurate records.

PARAPET REPAIRS

The roof over the Chapel is the latest project undertaken by the Trustees. This repair, which includes removing and replacing the parapet, will address leaking issues. Use of the CLC parking lot will be restricted during the repair, which will take several weeks to complete. Please see Jason Onks, Trustees chair, or Ed Temple, director of facilities, for more information.

MELTING POT HEALTH AND RESOURCE FAIR

The fourth Health and Resource Fair of the year for our downtown community will be held **Saturday, November 21, 8:00 to 11:00am**. Medical services, haircuts, snacks, community resource tables, and giveaways will be available. Breakfast and lunch will be provided. Volunteers are needed to make this event a success, and Munsey members are the best! Look for a sign-up link in the November Messenger.
